B.A. in Administration Information Systems and Technology Concentration

Requirements (92-100 units)

Total units required for graduation: 180

Requirements for the B.A. in Administration

Students are encouraged to check that they have met the prerequisite requirements for each course in the College of Business and Public Administration in which they are planning to enroll. Prerequisite requirements listed for each course are strictly enforced.

Enrollment in 300-, 400- and 500-level courses in the College of Business and Public Administration is restricted to students who have completed at least 90 quarter units (i.e., at least junior class level) and all lower-division courses listed below. Course prerequisites are strictly enforced.

Students who do not meet the stated requirements may be disenrolled from the course(s).

Students must earn a grade of "C" (2.0) or better in all lower division, upper-division and concentration courses required to fulfill a B.A. in Administration.

Lower-division core requirements (32)

- ACCT 211 Introductory Accounting I 4
- ACCT 212 Introductory Accounting II 4
