Where you live during college matters! Living on campus at CSUSB is one of the best ways to become involved, be connected to everything CSUSB, and succeed academically! There are numerous benefits to living on campus including convenience, opportunities to develop lifelong friendships, leadership opportunities, and to learn about other cultures. Living on campus provides approximately 1,837 students with an environment that fosters students' educational and personal success. Students living on campus benefit from being a part of a community of difference makers, and an environment that promotes safety, academic success, and a unique living and learning experience. The Department of Housing and Residential Education also offers many living learning communities.
Four distinct residential Villages at CSUSB comprise on-campus housing for students: Arrowhead Village, Coyote Village, Serrano Village, and University Village.

**Coyote Village (CV)** is the newest addition to CSUSB’s Residential Villages. Opened in September 2017 and housing 407 first-year students, this new, modern residence hall features a community center and community kitchen, Wi-Fi, classrooms, study areas, and so much more! Students living in Coyote Village will experience a residential setting comprised of double rooms and study rooms on each floor. Coyote Village is also home to two Faculty-in-Residence, as well as the Honors Living Learning Community.

**Serrano Village (SV)** is CSUSB’s historical housing, designed for first-year students who are interested in living on campus as part of their overall transition to college life. Serrano Village offers students traditional-style double and single rooms with community restrooms. Each residence hall has a lobby area with a TV, a common kitchen area, a study room, WiFi, and laundry facilities.

**Arrowhead Village (AV)** offers upper-class Coyotes a more independent style of living. AV offers studio apartments, as well as two-bedroom and four-bedroom apartments. Each apartment includes a furnished living room (with the exception of studios) and bedroom, and a full kitchen. AV also includes study rooms and lounge areas. Each building is accessible for individuals with disabilities and equipped with elevators. Laundry facilities are available to AV residents. Arrowhead Village is also home to two Faculty-in-Residence.

Students living on campus enjoy the benefits of high-speed internet and digital, streaming cable. Students living on campus have access to Village Square, which features a large-screen TV, game tables, an ice machine, two hydration stations, and lounge and meeting space. Living in the Villages at CSUSB is cost efficient! Students living on campus do not pay for internet, cable, water, or utilities. Students living on campus also have the advantage of priority registration and reserved parking near their Village. Residents are also just a short walk from the Plu Library, the Santos Manuel Student Union, Coyote Commons dining, and so much more.

Residents of The Villages also have exciting leadership and volunteer experiences, including being a part of Residence Hall Association (RHA) and Village Council. The Residence Hall Association is an elected student body composed of students who live on campus and represent the interests of campus residents and organize exciting activities for students. Village Council is the student voice of each Village and works to address important issues in the community as well as providing positive events for students. Each year, an RHA and Village Council offer a variety of opportunities to help make living on campus an exciting experience - movie nights, hall competitions, pancake breakfasts, trips, and study break activities are among the many popular programs sponsored by RHA.

The Residential Education team is available 24 hours a day to assist students with safety and emergency needs. This team includes Resident Assistants, Academic Mentors, Program Coordinators, and Hall Coordinators who live in Arrowhead, Coyote, Serrano, and University Village. These undergraduate staff members have been trained to assist students with safety, community, and academic needs, and are an important part of the overall campus housing experience. Each Village is led by an Area Coordinator of Residential Education, or ACORE. Directly responsible for a specific Village, each ACORE lives on campus and provides immediate support for the residents of each Village. These trained professionals bring extensive skills and experiences to CSUSB.

Rates for the 2018-19 academic year can be found by visiting the DHRE website at www.csusb.edu/housing. Rates for 2019-20 will be finalized soon. All rates are based on September through June. The hours of the SRWC are designed to meet the demands of the busy lives of students and members with several opportunities from the early opening hours until the late evening. When there is not organized play in the gymnasium or group exercise rooms, drop-in use is allowed. Members can meet up with friends to shoot hoops or practice their hip-hop or martial arts skills. Informal recreation hours are posted outside of each of the three available rooms.

The Obershaw DEN - Delivering Emergency Nourishment for CSUSB Students

(909) 537-FOOD

The Obershaw Den, located in the Faculty Office Building 237, currently assists enrolled CSUSB students who face food insecurity, including undergraduate, credential, graduate, and doctoral students. As it has become increasingly difficult for students to juggle the costs associated with obtaining a degree, the Obershaw Den was established to provide emergency food relief to help students at CSUSB. Weekly bags of food, hygiene items, as well as referrals to community resources, are available at The Obershaw Den. Food kits created by The Den are also available at various offices throughout the CSUSB campus. Please contact us at (909) 537-FOOD.

University Police Department is certified by the California Commission on Peace Officer Standards and Training. The department is a state law enforcement agency which employs 19 sworn police officers and an active support staff for 24-hour protection of the campus community. CSUSB’s peace officers have statewide police authority, and are vested with law enforcement powers and responsibilities, identical to the municipal police or sheriff’s departments in our community. The department provides many services including diligent crime prevention, victim assistance, disaster preparedness, lost & found property, safety escorts, and medical and fire emergency response coordination using a community COP (Campus Oriented Policing) philosophy. The department’s mission and motto is “Campus Safety Through Service.” We believe campus safety is
a community effort and remind everyone that if you see something, say something.

Veterans Success Center

(909) 537-5195 Veterans Success Center website (https://www.csusb.edu/veterans/veteran-success-center/)

Since opening in May 2012, the Veterans Success Center (VSC) at CSUSB has built a strong reputation throughout the Inland Empire for offering innovative leadership opportunities and education programs. The center is ranked as 21 in the nation by Military Times and as a top military school in the state of California by three top national college guides for veterans. On Nov. 10, 2014, the VSC opened its second location at the CSUSB Palm Desert campus to better serve Coachella Valley veterans and dependents. The center’s mission is to support former, current, and future service members of the United States Armed Forces and their dependents with the transition from higher education to career, navigation through their academic experience, and celebration of their service and achievements, by offering high-quality support services, resources, and events.

The VSC is a 1,500-square-foot facility, which houses a computer lab, where student veterans, military members, ROTC cadets, and dependents can work on assignments; a group room for students to congregate between classes and hold study groups; and a lending library, where students can checkout textbooks free of charge. The center offers dynamic programs that are comprehensive in scope and sensitive to the unique needs of service members. Services include the School Certifying Official for education benefits, academic advising, new student veterans’ orientation, a monthly seminar series, a weekly support group, tutoring, IT services, advocacy and referral services, a military veteran’s writers group, arts and crafts, and much more.
