The California Promise Program, established by Senate Bill 412, required the California State University (CSU) system to offer pledge programs designed to facilitate first-time students in completing their baccalaureate degree in either two years (Transfer Students) or four years (First Time Freshman).

Students who commit to enter either the four-year or the two-year pledge program will be given a priority registration appointment for each term and will be provided with routine and thorough academic advisement.

The program is limited to students who are residents of California.

CSU, San Bernardino commits to this promise by establishing the Two-Year Graduation Pledge Program and the Four-Year Graduation Pledge Program. To support students in this endeavor, the university pledges to provide a quality educational experience with an academic schedule and degree requirements, which can be completed by students who are willing to devote their time and energy to full-time enrollment.

TWO-YEAR GRADUATION PLEDGE PROGRAM

• Transferred to CSUSB with an Associate Degree for Transfer (AA-T or AS-T)

NOTE: Majors that require more than 180 units will need to earn more units per year.

STUDENT’S OBLIGATION Once Accepted Into the Program:

Students are required to attend an information session where they will sign their Four-Year Graduation Pledge Contract.

2. Students may not have more than one minor declared.
3. Students may not have more than two concentrations declared, including any concentration required for their major.
4. Students must COMPLETE an average of at least 15 units per quarter (45 units per year) to reach the minimum of 180 units required for a Bachelor of Arts degree in four years.
5. Students are required to submit an Education Plan within their first academic term to plan and track their degree coursework and requirements. Education Plans MUST be approved and signed by either a faculty advisor or professional staff advisor (cannot be a peer advisor) within the student’s major/department.

If approved, a new, advisor-approved, Education Plan demonstrating four-year graduation MUST be submitted to Advising & Academic Services.
11. Demonstrate accountability by complying with all administrative and academic policies and procedures. Non-compliance will result in cancellation of the pledge agreement.
12. Students MUST file their Graduation Check no later than the Fall term of their 4th and final academic year.
