Departmental Honors

Students majoring in administration are eligible to receive departmental honors if the following conditions are met:

1. At least four courses in the concentration are completed at this university;
2. -3.5 minimum GPA in major;
3. -3.25 minimum GPA in concentration/option

Beta Alpha Psi

Founded in 1919, Beta Alpha Psi is a national scholastic and professional accounting fraternity. The primary objective of the fraternity is to encourage and give recognition to scholastic and professional excellence in the field of accounting. This includes promoting the study and practice of accounting; providing opportunities for self-development and association among members and practicing accountants; and encouraging a sense of ethical, social and public responsibility. The letters Beta, Alpha and Psi denote Scholarship, Social Responsibility and Practicality, respectively.

Beta Gamma Sigma

The university has an active chapter of Beta Gamma Sigma, a national organization that encourages and honors academic achievement and personal excellence in the study and practice of business. Membership is by invitation extended to undergraduate and graduate business students of high scholarship and good moral character.

Minors

Business Administration (http://bulletin.csusb.edu/colleges-schools-departments/business-public-administration/business-administration-minor/)
Courses

ADMN 1001. Leadership for Global Challenges: Exploring the Entrepreneurial Mindset. Units: 3
This experiential, discussion-based course explores the concept of entrepreneurship and how the entrepreneurial lens can be employed to help individuals understand, interact and change the world around them by solving pressing personal, social and global problems. Students will learn the skills and abilities consistent with an entrepreneurial mindset to develop as a whole person by better understanding human behavior, creative endeavors, social relationships, one’s relationship to the environment and how stress and failure can be managed. Satisfies GE Category E.

ADMN 1002. Leadership for Global Challenges: Citizenship in a Sustainable World. Units: 3
 Appreciate diverse regional cultures in the world as systems of social, human and ecological environments, with specific leadership value theories and practice perspectives. Understanding of self's role as a decision maker in a wide variety of career contexts using the lens of responsible management with transcultural citizenship. Focus on how our decisions impact sustainability of organizations and society, and how a sustainability mindset can enhance personal success and transpersonal growth. Satisfies GE Category E. Satisfies GE designation G. Satisfies Environmental Sustainability Pathway and Minor.

ADMN 1003. Leadership for Global Challenges: Exploring the Digital Mindset. Units: 3
 The focus of this course is to develop student digital literacy, thus transforming them into savvy, evidence driven, lifelong, and secure and informed global digital citizen. The learning process uses an interdisciplinary story driven digital mindset lens, where the student learns about and reflects on how individuals and organizations leverage digital media and other technologies to create value. Students create their own stories on how the course has prepared them for a future world where humans and machines collaborate in an automated and knowledge based society. Satisfies GE category E; Satisfies Information Literacy Pathway and Digital Literacy Minor.

ADMN 1500. Introduction to Administration. Unit: 1
Introduction to the administrative process. Strategies to achieve success in business and public careers. Includes the development of administrative theories and practices and provides an overview of the functional areas of business and public administration. Formerly offered as MGMT 100.
