Veterans Success Center

(909) 537-5195 Veterans Success Center website (http://veterans.csusb.edu)

Since opening in May 2012, the Veterans Success Center (VSC) at CSUSB has built a strong reputation throughout the Inland Empire for offering innovative leadership opportunities and education programs. The center is ranked as 21 in the nation by Military Times and as a top military school in the state of California by three top national college guides for veterans. On Nov. 10, 2014, the VSC opened its second location at the CSUSB Palm Desert campus to better serve Coachella Valley veterans and dependents. The center's mission is to support former, current, and future service members of the United States Armed Forces and their dependents with the transition from higher education to career, navigation through their academic experience, and celebration of their service and achievements, by offering high-quality support services, resources, and events.

With locations at San Bernardino Campus and Palm Desert Campus, the VSC is a dedicated space that houses computer labs, where student veterans, military members, ROTC cadets, and dependents can work on assignments; and group rooms for students to congregate between classes and hold study groups. A lending library, where students can checkout textbooks free of charge, is available at the San Bernardino Campus. Both centers offer dynamic programs that are comprehensive in scope and sensitive to the unique needs of service members. Services include the School Certifying Official for education benefits, academic advising, new student veterans’ orientation, a monthly seminar series, a weekly support group, tutoring, IT services, advocacy and referral services, a military veteran’s writers group, arts and crafts, and much more.
